

## **P2P Recognition and Award Nomination**

On behalf of P2P 2018 Recognition and Award selection Committee, I would like to seek your valuable assistance and participation in nominating a person you believe would deserve to be recognized for award in the following categories:

### **A. MEDICAL AND HEALTH SCIENCES PROFESSIONALS:**

1. A life time achievement award for dedicated medical professions with years of distinguished contributions in highly recognizable leadership or participation in the development of the field of the medical professions and sciences. The nominees will include private physicians, medical researchers, faculty, deans, associate deans and presidents of medical centers or hospitals, schools, colleges and research institutions in Ethiopia.
2. A life time achievement award for dedicated public health, Allied health sciences with distinguished contributions and leadership as practitioners, researchers, faculty, deans, associate deans, health managers including and not limited to nursing and allied health sciences with distinguished services in medical centers, schools, health sciences centers in comprehensive research universities in Ethiopia.
3. The nominees will be proportionately selected on priority basis given to those who are in Ethiopia. The other nominees will also be considered from medical and health professional as in the above categories but also engaged in Higher Education institutions, private practice settings and International medical and health organizations given their lifetime contributions, service and excellence nationally and internationally.

### **B. YOUNG EMERGING MEDICAL AND HEALTH PROFESSIONALS:**

1. A young emerging medical professional with distinctly recognizable achievements and a leadership indicative of aspirations for further professional growth and development.

**C. COMMUNITY AND GRASSROOTS LEADERSHIP:**

A person who has rendered distinguished community service to have made remarkable impact in the community or society at large.

**A. BRIEF JUSTIFICATION AND DESCRIPTION:**

1. Submit brief but adequate descriptive statement as to why you thought the nominee should be considered for the recognition award.
2. Specific contributions, excellence in service and leadership qualities
